TO: MEMBER ASSOCIATIONS

Dear Sir/Madam

### **URGENT!!**

### **RE: CHASA NATIONAL SHOOTING COMPETITION**

We have pleasure in bringing the following to your attention:

1. Attached is the **final** document for the annual CHASA Shooting Competition which can be **implemented immediately**.
2. Please take note that the rules are not casted in stone and may be amended as and when the need arises.
3. The shooting targets (Impala, Springbok and Warthog) used by SA Hunting Rifle Shooting Association **will be used** for the CHASA annual shoot. Associations who would like **to order** targets for practice purposes **can order them from the office**. (Prices will be based on a cost recovery basis and will include VAT). Postage will also be added.
4. The next CHASA Annual Shooting competition is scheduled to be held on **Saturday 8 March 2008 at the De Brug Shooting Range, Bloemfontein**.
5. Clear shooting patches will **in future be used** on shooting targets and can also **be ordered from the office**. (R185.00 per roll of 3000 patches.)
6. Associations are also requested to **send all** shooting **results** on individual performances to the CHASA office. The **Office** will **draw-up a ranking list per association** and an **individual ranking list** for CHASA.
7. Associations are allowed to send **three teams** to the shooting competition **one** of which can **include** a Junior Team.

Thank you for your valued co-operation and support and we are looking forward to your participation in improving the shooting skills of your members.

Hunters Greetings

Rory O'Moore  
Bestuurder/Manager
